Message Subject: Fully Covered

Scripture: Within the Message

Greetings Kingdom Citizens

The question is "Are You Fully Covered?" It's funny we have insurance for everything in our natural lives but do we have spiritual insurance? Now you may say I am saved and that is all the insurance I need! And that is vital, but your standard of living on Earth is dependent upon the types of coverage you carry. For example you can have car insurance and if you do not carry theft coverage and someone steals your car then you are out of luck and out of a car and still owe the money. You had insurance but did not carry full coverage. Today we will look at the Kingdom Insurance Policy and see the various types of coverage you need to survive in this life. But before we do that I must introduce you to the Kingdom Insurance Company Owner, Jesus Christ. Now in order to qualify for this spiritual insurance you must repent from other worldly coverage and ways, confess Jesus as Lord and believe in your heart, that God has raised Him (Jesus) from the dead (Romans 10:9). Now once you have done this, then you receive the Kingdom Insurance Policy and have full coverage. But for many of us, unless we pay our premiums then our life will reflect lapses in the various types of coverage that this policy offers to the beholder. Let's take a look at what your insurance policy should look like!

Fire Insurance: John 3:16-18

Yeah this is the easy one and for some, the only one they have knowledge of! But the problem is this coverage is does not pertain to the eternal fire because that was covered when you enrolled for the coverage, but it pertains to the fire that is the trials of life. With this policy, when a fire comes and it will, it will protect you and see you through the fire. You become stronger through your trials in life but if you do not have knowledge of this coverage, when the fire comes, you may be consumed in it. Make sure your fire insurance stays intact and fully active by reading your Bible daily and having a relationship with the Holy Spirit and truly turning your life over to Christ and letting him lead the way through the fire! You have to KNOW you have this coverage in order to carry this coverage.

### Flood Insurance: Luke 6:48-49

Without this coverage many Christians find themselves in so much deep trouble because they fail to prepare their lives daily to kill the flesh and allow the Spirit to lead them. They see trouble coming, but yet they try to protect the *things* they have instead of trying to save the people and themselves from drowning in sin. The flood of sin that is all around us and in the world and will swallow you so fast and if you do not keep your flood insurance intact you will lose everything. The more you invest in sin, the worse the flood and the deeper the water, the harder it is to see the way out. To keep this coverage intact you must walk daily by the Spirit. Floods will come in our lives and it doesn't always have to be sin, but if we know the King, Jesus, then when the flood comes, by way of satan accusing us daily of past sins, then we have the confidence in knowing we are saved and the price for the sin has been paid by our King.

### Hurricane and Tornado Insurance: Romans 5:1-4

Oh how quick we can find trouble and how much devastation can come from one decision! Much like natural hurricanes and tornadoes, the spiritual swirling winds around us can try to pick us up and separate us from the foundation (Christ) and throw us wherever they choose to. Everything that is not attached to a solid foundation is picked up and tossed and utterly destroyed. Only things grounded to a solid foundation will be able to stand these spiritually destructive storms. So many of us have been picked up and tossed away from the foundation because we fail to ground ourselves to something solid and eternal. These storms are unpredictable and very destructive but know, just like in the natural world, they are coming! Insure yourselves in this coverage and hold on the foundation who is Jesus Christ because there is always joy after the storm!

### Health and Prescription Coverage: Matthew 8:6-7; 10-13

So many of us are spiritually sick and some physically sick! The good news is when you have this coverage, you will always make a full recovery. Our doctor knows all the remedies and insures that His remedies work with one side effect, Joy! Now, Dr. Jesus requires that you do three things in order to insure full recovery! First is to recognize Him as your doctor who is able to heal you. Next you must have faith and know you will be healed. Next, you have to follow His counsel in taking your medications whether it is physical or spiritual (The Word of God). Finally, give Him the Glory and testify! Once you come and see the doctor and tell Him all about your troubles, you can and will not ever be the same and the joy you have, you

should share what the doctor has done for you. Stop by and see the doctor and make sure He knows you by your name because some think they know Him and they truly do not!

### Eternal Life Insurance: Romans 12:1-2; John 17:12-16

Just as important as the rest of the other coverage! In order to keep this coverage you must live the life you have accepted! A Kingdom citizen acts like a Kingdom Citizen and doesn't look, act or talk like the world that is going to Hell! In other words, they talk, look and act like the Eternal Kingdom that they belong to! Many so called Christians fail to effectively experience this coverage on Earth because they do not have a relationship with the owner of the policy, Jesus Christ. When you are saved, then you are an eternal creation in time and space so your life should be guided by the eternal and allow what is eternal to affect the realm of time and space. Without this coverage, many believers never realize or experience the benefits of living in the Kingdom on Earth today. They tend to look and act like the world and this is the most damaging and costly thing to the Kingdom (Wayward Christians). Live this policy so that others can see how the other policies work together to insure full coverage.

### Your Premium: Matthew 26:28; 1 Corinthians 15:30-31

God's insurance policy can lapse or be suspended and for many of us, it has lapsed many times but unlike the earthly insurance policies, we can always re-instate our policies through repentance change and forgiveness! We have to pay our premiums daily and be prepared for God to cash in on our specific policy at any time. We do not know the time when He will, but we know He will! Be sure that your policy is paid in full and all of your coverage is intact. You must carry full coverage to get into the Kingdom and no one without FULL COVERAGE will enter! So the question is.....

ARE YOU FULLY COVERED AND INSURED WITH THE TRINITY INSURANCE  
COMPANY?
